I, _____, the above described applicant, do hereby make application to the HEMPHILL COUNTY UNDERGROUND WATER CONSERVATION DISTRICT for a permit to (check all that apply):

- drill a new well, as described more fully below
- increase the size of an existing well, as described more fully below
- increase the size of the pump on an existing well, as described more fully below
- replace an existing well

II. Well Location

1. LATITUDE: _____ Degrees _____ Min. _____ Sec.
 LONGITUDE: _____ Degrees _____ Min. _____ Sec.
2. This well is (or will be) located in the ___ NW ¼ ___ NE ¼ ___ SW ¼ ___ SE ¼ of Section _____, Block _____, of the _____ Survey, Hemphill County, Texas. This well will be located _____ miles East / West and _____ miles North/South of the town of Canadian, Texas on (name of Road or Highway): _____
3. State the exact number of yards from the well to the two nearest non-parallel property lines:
 This well is (or will be) located _____ yards from the (circle one) East / West property line, and _____ yards from the (circle one) North / South property line.
4. Describe the property boundaries of the tract of land upon which the proposed well is to be located and which were used to meet the District's spacing requirements in Rule 5.407: _____

III. Well Information

1. Current or proposed use of water produced by this well (check one or more):
 Domestic Irrigation / Commercial Agriculture Commercial Monitoring
 Livestock Municipal / Public Supply Industrial Recharge Injection
 Other (Please Specify): _____
2. Pump type: Submersible Turbine Jet Piston Other: _____
3. Pump power source: Electric Diesel Natural Gas Wind Other: _____
4. Pump motor size: _____ Horsepower
5. Estimated maximum yield of this well: _____ gpm
6. Casing material: Steel PVC
7. Total well depth: _____ Feet
8. Total depth of well's casing: _____ Feet
9. Diameter of well casing: _____ Inches

10. Predicted depth to water-bearing strata: _____ **Feet**
11. Inside diameter of column pipe: _____ **Inches**
12. Licensed water well driller to be used for well drilling: _____
13. Mailing address of water well driller: _____
 Address, line 2: _____
 City: _____ State: _____ Zip Code: _____
14. Texas State Water Well Driller's License Number: _____ Phone: _____
15. Licensed pump installer to be used for pump installation: _____
16. Mailing address of licensed pump installer: _____
 Address, line 2: _____
 City: _____ State: _____ Zip Code: _____
17. Texas State Well Pump Installer's License Number: _____ Phone: _____
18. Date drilled or date drilling is anticipated to begin: _____
19. If altering an existing well, is a copy of the Driller's Log available? _____

IV. Adjacent Wells

Identify the location of the three (3) nearest adjacent wells (or proposed wells) within ½ mile of the proposed location of the well at issue in this application, and mark the location of such wells on the grid on the following page of this application as wells 1, 2, and 3.

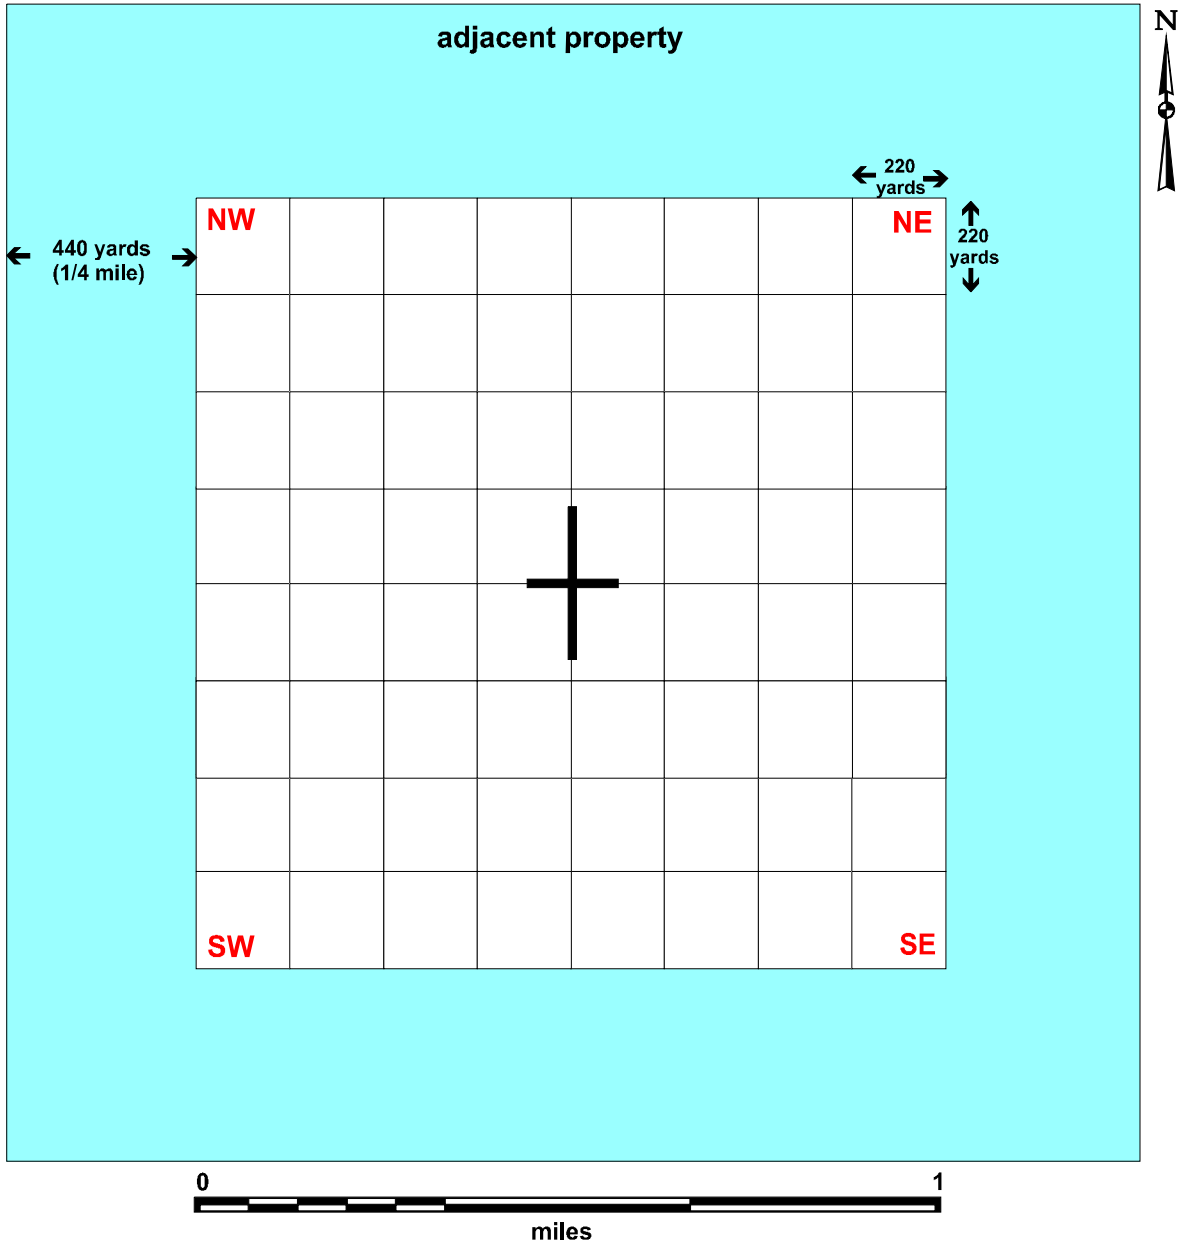

Well 1: _____ measured yards from the proposed well
 Owned by: _____
 Owner's Address: _____

Well 2: _____ measured yards from the proposed well
 Owned by: _____
 Owner's Address: _____

Well 3: _____ measured yards from the proposed well
 Owned by: _____
 Owner's Address: _____

Instructions: On the grid below, please indicate the location of the proposed well by marking the site with a dot inside a circle (⊙). This entire grid represents one section or one square mile. Using an X, mark the location of the 3 closest wells (or proposed wells) and mark each as 1, 2 or 3.

V. Supporting Documentation

1. Please provide a copy of the current deed, tax record, or appraisal district record for the land on which the well (or Proposed well) is (or will be) located.
2. If a complete written description is not provided in Section II, number 4, of this application, please attach a map or plat (no larger than 8 ½ X 11”) showing: the scale, an arrow indicating north, the proposed well location and the property boundaries. This map may also be used to identify adjacent wells more fully described in Section IV.
3. If altering an existing well, please provide a copy of the Driller’s Log, if available.
4. If the application is signed by an agent, the agent must include or attach evidence documenting his or her authority to represent the applicant.
5. If the application is a partnership, a copy of the partnership agreement shall be attached to the application.
6. If the applicant is a corporation or governmental entity, please provide a copy of a resolution or other document evidencing authorization to make the application.
7. If the application is made by an estate, trust, or guardianship, a copy of an instrument evidencing the existence of the entity must be attached to the application.

VI. Certification

I, the undersigned applicant, agree and certify that:

- (1) this well will be drilled within ten (10) yards of the location specified and not elsewhere;
- (2) I will furnish the District with the completed Driller’s Log, any electric log, and the well completion report within sixty (60) days of the completion of this well;
- (3) in using the well at issue in this application, I will comply with all terms and conditions contained in the associated production permit, avoid waste, achieve water conservation, and use reasonable diligence to protect groundwater quality;
- (4) I will follow State and District well plugging guidelines at the time of well closure; and
- (5) the information provided herein is, to the best of my knowledge, true and correct, and that it shall be considered to be fraud upon the District to willfully give erroneous information in this application.
